**Please Note:**

Those who intend to use any machine with characteristics of weight, height, width, length or complexity which differ significantly to the training they have received should ensure that they receive a familiarisation to cover the differences. It is the employer's responsibility to ensure that all operators using equipment are adequately trained and familiarised to comply with current health and safety legislation. Machine specific familiarisation should follow on from basic training and cover:

- Manufacturer's instructions and warnings
- Features of the specific model
- Control functions
- Safety devices and
- Emergency lowering procedures

All of the above are to be found in the information supplied with the machine.

## *Peace of Mind with Horizon* **Damage Waiver / Theft & Loss Waiver**

### **Damage Waiver**

**Why ?** - Horizon Platforms Waiver Agreement takes the worry out of hiring expensive access equipment, giving you peace of mind every time you use our plant.

Even in the most controlled working environment accidental damage can occur, leaving you to pay the cost of repairing the equipment. By investing in Damage Waiver, Horizon Platforms will take away the worry of paying for the accidental damage to hired equipment.

**How does it Work ?** - Your damage waiver payment absorbs most repair costs to hired equipment. Without it, you will be required to return the plant undamaged to pay the full costs of any repairs.

**How much does it Cost ?** - Damage Waiver is calculated as a percentage of your total hire charge – 10% on all powered platforms.

**What does Damage Waiver Cover ?** - Horizon Platforms Damage Waiver Agreement will cover all repair expenses and accidental damage except those specifically excluded beneath.

**Is Damage Waiver Compulsory ?** - The agreement is compulsory to cash customers and optional to account customers. However account holders must provide a letter stating in advance they will be responsible for any damage to hired equipment should they decline Damage Waiver.

**Is Damage Waiver an Insurance ?** - Damage Waiver is not an insurance. It is simply a waiver of Horizon Platforms' legal right to have equipment returned in the same condition as when it leaves the depot.

### **Theft & Loss Waiver**

**What are the Costs of Theft & Loss ?** - Theft and Loss is calculated as a percentage of your total hire charge – 10% on all powered platforms.

**Is Theft and Loss Compulsory ?** - The agreement is compulsory to cash customers and optional to account customers. However account holders must provide proof that their own insurance covers 'hired in' plant should they choose to decline Theft and Loss Waiver.

**What Does Theft & Loss Waiver Cover ?** - The theft and loss of the powered access equipment hired from us (excluding theft by hirer).

**Is Theft & Loss Waiver an Insurance ?** - Theft & Loss Waiver is not an insurance. It is simply a waiver of Horizon Platforms' legal right to have equipment returned in the same condition as when it leaves the depot.

### **Excess**

**Is there an Excess ?** - There is no excess in the case of repairable accidental damage. £1,000 in the case of total loss.

### **Exclusions**

#### **What are the Exclusions ?**

- 1) Third Party claims.
- 2) Paint spillage and over-spray.
- 3) Damage caused by non-observance of daily maintenance.
- 4) Inadequate security.
